LA LAaug FA#m/LA LAaug  
Our life, together, is so precious, together,  
LA MI7 LA MI7  
we have grown, we have grown.  
LA LAaug FA#m/LA  
Although our love, is still special,  
LA7 RE RE m LA  
let s take a chance and fly away, somewhere alone.

LA  
It s been too long since we took the time,  
LAaug  
No one s to blame.  
SIm MI  
I know time flies so quickly.  
SIm MI  
But, when I see you darlin ,  
DO#m FA# SIm MI  
It s like we both are fallin in love, again, it ll be,  
LA LAaug LA LAaug  
just like starting over. Starting over.

LA  
Every day we used to make it, love.  
LAaug SIm MI  
Why can t we be makin love, nice and easy?  
SIm MI  
It s time to spread our wings and,  
DO#m FA# SIm MI  
fly. Don t let another day go by, my love, it ll be,  
LA LAaug LA SOL  
just like starting over. Starting over.

LAm  
Why don t we take off alone,  
RE7 SOL  
take a trip somewhere far, far away.  
MIm LAm  
We ll be together all alone, again,  
RE7 SOL  
like we used to be in the early days.

MI RE/FA# MI/SOL#  
Well, well darlin

LA  
It s been too long since we took the time,  
LAaug  
No one s to blame.

SIm MI

DO#m FA# SIm MI  
It s like we both are falling in love, again, it ll be  
LA LAaug LA LAaug  
just like starting over. Starting over.
