Oh, my love
John Lennon

```
D                        C#m7
Oh, my love, for the first time in my life
Bm7                    A
My  eyes  are  wide   open
D                        C#m7
Oh, my lover, for the first time in my life
Bm7   E7        A
My eyes can see

F#m                 C#7
I see the wind, oh, I see the trees,
D                          A       C#7
Everything is clear in my heart
F#m                 C#7
I see the clouds, oh, I see the sky
D                          A
Everything is clear in our world

D                        C#m7                 F#7
Oh, my lover, for the first time in my life
D                      A
My   mind   is  wide  open
D                        C#m7
Oh, my lover, for the first time in my life
Bm7      E7    A
My mind can feel

F#m                 C#7
I feel sorrow, oh, I feel dreams
D                          A       C#7
Everything is clear in my heart
F#m                 C#7
I feel life, oh, I feel love
D                          A
Everything is clear in our world
