

One day at a time
John Lennon

Bm Bm/A G
You are my weakness
G/F# C C/B C
You are my strength
D D/C D/B
Nothing I have in the world
D/A G
Makes better sense
F# G
Cause I m the fish and you re the sea

When we re together
Or when we re apart
There s never a space in between
The beat of our hearts
Cause I m the apple and you re the tree

F# B E A B
One day at a time is all we do
Ab C#m F# Ab C#m C#m/C C#m/B A
One day at a time is good for you

You are my woman
I am your man
Nothing else matters at all
Now I understand
That I m the door and you re the key

And every morning
I wake in your smile
Feeling your breath on my face
And the love in your eyes
Cause you re the honey and I m the bee

One day at a time is all we do
One day at a time is good for us two (you too)

Saxophone solo over verse chords, end with:

G F# G
Cause I m the fish and you re the sea
Cause I m the apple and you re the tree
Cause I m the door and you re the key
Cause you re the honey and I m the bee
