

One day at a time

John Lennon

Am Am/A F
You are my weakness
F/F# Bb Bb/B Bb
You are my strength
C C/C C/B
Nothing I have in the world
C/A F
Makes better sense
E F
Cause I m the fish and you re the sea

When we re together
Or when we re apart
There s never a space in between
The beat of our hearts
Cause I m the apple and you re the tree

E A D G A
One day at a time is all we do
F# Bm E F# Bm Bm/C Bm/B G
One day at a time is good for you

You are my woman
I am your man
Nothing else matters at all
Now I understand
That I m the door and you re the key

And every morning
I wake in your smile
Feeling your breath on my face
And the love in your eyes
Cause you re the honey and I m the bee

One day at a time is all we do
One day at a time is good for us two (you too)

Saxophone solo over verse chords, end with:

F E F
Cause I m the fish and you re the sea
Cause I m the apple and you re the tree
Cause I m the door and you re the key
Cause you re the honey and I m the bee
