

One day at a time
John Lennon

Bbm Bbm/A F#
You are my weakness
F#/F# B B/B B
You are my strength
C# C#/C C#/B
Nothing I have in the world
C#/A F#
Makes better sense
F F#
Cause I m the fish and you re the sea

When we re together
Or when we re apart
There s never a space in between
The beat of our hearts
Cause I m the apple and you re the tree

F Bb Eb G# Bb
One day at a time is all we do
G Cm F G Cm Cm/C Cm/B G#
One day at a time is good for you

You are my woman
I am your man
Nothing else matters at all
Now I understand
That I m the door and you re the key

And every morning
I wake in your smile
Feeling your breath on my face
And the love in your eyes
Cause you re the honey and I m the bee

One day at a time is all we do
One day at a time is good for us two (you too)

Saxophone solo over verse chords, end with:

F# F F#
Cause I m the fish and you re the sea
Cause I m the apple and you re the tree
Cause I m the door and you re the key
Cause you re the honey and I m the bee
