

**Sisters, o Sisters**

**John Lennon**

**C**  
We lost our green land  
**Bb**  
We lost our clean air  
**C**  
We lost our true wisdom  
**Bb** **G**  
And we live in despair

**C** **F**  
Sisters, O sisters  
**C** **F**  
Lets stand up right now  
**C** **F**  
It s never too late  
**C** **F**  
To start from the start  
**C** **F**  
Wisdom, O wisdom  
**C** **F**  
That s what we ask for  
**C** **F**  
And yes, my dear sisters  
**C** **F**  
We must learn to ask

**F** **G**  
Wisdom, O wisdom  
**C** **Am**  
That s what we ask for  
**F** **G** **C** **F** **C7**  
That s what we live for now  
**F** **G**  
Wisdom, O wisdom  
**C** **Am**  
That s what we ask for  
**F** **G** **C** **G** **C**  
That s what we live for now
