I can remember the words that you say
High on our hillside we both shared the view
I can remember the words that you say

Em G
Seems like forever or was it today
Talking of people we thought we knew
Seemed like forever was taken away

Am C G
The cold light of dawn broke in two
How could that dream fade away
When time made its own point of view

Am C G
The one part of me that was you
And fall on the ground where we lay
On the promise two young people knew

Am C G
Cause you re the one that went and stole a piece of my heart Go %(2)
Cause you re the one that went and stole a piece of my heart
Cause you re the one that went and stole a piece of my heart Go &
