%    Who could change, or re-arrange, the love I have for you
     Who could know, begin to show, the love before my eyes
     Who could change, or re-arrange, the love I have for you
     Who would know, or even show, their dream before my eyes
     Who can see, the way you see, I m down upon my knees
     Who has thought, of no-one else, no love no dream denied
     You...... you..,    you........,      you...............

     Who could dream, know what it means, of love the way you do
     Who could feel, the way I feel, the way you make me do        Go %(4)
     Who would try, so hard they cry, and never say a word         Go %(5)
     Who can hide, the hurt inside, in love that s part of you     Go %(6)
     Who has made, my life complete, the reason that I live        Go %(7)
