Carbon Ribs " John Mark Mcmillan

Capo 4

**C#**

A Thousand pairs of firey eyes

**G#sus**

Burn like a serpent down the hwy 5

**F#**

**G#sus**

**C#**

As the Long amber tail to Los Angeles unwinds

I ve got resurrection down in side my skin

But for all my revealating

I just cant make sense

Of this gravity we re in

**Bbm**

Cause I m a dead man now with a ghost who lives

**G#sus**

Within the confines of these carbon ribs

**F#**

**G#sus**

And one day when I m free

**Bbm**

I will sit

**C#**

The cripple at your table

**G#sus**

**F#**

**G#sus**

**C#**

The cripple by your side

A thousand miles of pain I m sure

Led you to the threshold of my hearts screen door

To tell me what it is I m dying for

Gravity comes like a cold cold rain

To lead me to the rope again

But someone is standing in my place

Cause I m a dead man now with a ghost who lives

Within the confines of these carbon ribs

And one day when I m free I will sit

The cripple at your table

The cripple by your side

**Bbm**

**G#sus**

And I sit beside you

**F#**

**G#sus**

And I sit beside you

Great song  
enjoy. david
