As the Long amber tail to Los Angeles unwinds

I ve got resurrection down in side my skin

But for all my revealating

I just cant make sense

Of this gravity we re in

Bbm

Cause I m a dead man now with a ghost who lives

G#sus

Within the confines of these carbon ribs

F#

And one day when I m free

Bbm

I will sit

The cripple at your table

C#

The cripple by your side

A thousand miles of pain I m sure

Led you to the threshold of my hearts screen door

To tell me what it is I m dying for

Gravity comes like a cold cold rain

To lead me to the rope again

But someone is standing in my place

Cause I m a dead man now with a ghost who lives

Within the confines of these carbon ribs

And one day when I m free I will sit

The cripple at your table

The cripple by your side

Bbm

G#sus

And I sit beside you

F#

G#sus

And I sit beside you

Great song
