The cripple by your side

A thousand miles of pain I m sure

Led you to the threshold of my hearts screen door

To tell me what it is I m dying for

Gravity comes like a cold cold rain

To lead me to the rope again

But someone is standing in my place

Cause I m a dead man now with a ghost who lives

Within the confines of these carbon ribs

And one day when I m free I will sit

The cripple at your table

The cripple by your side

G#m

And I sit beside you
