**C**

Dress us up in your righteousness

**F**

Bring us in with a ring and a kiss

When you walk into the room you know we can't resist

**G**

**F**

Every bottle of perfume always ends up on the floor in a mess

**C**

You make us sparkle and you make us shine

**F**

Like the stars who sing on your chorus line

**A**

Through space and time we'll harmonize

**G**

**F**

**C**

Where deep meets deep like the ocean meets the sky

**F**

The sun and the moon

**C**

They come out of their grave just for you

**F**

The dead man and the cynical too

They're coming out of their grave

**G**

And it's just for you

**F**

Cause the love of God is stronger

**C**

The love of God is stronger

**G**

The love of God is stronger

Than the power of death

Dress us up in the blood of a son

Who opened up his veins so that we would overcome

Hell and the grave in the power of his love

After three dark days he showed us how it s done  
And he still does
