

I Am A Temple
John Mark McMillan

C

Deep inside me

G

There s this burning

Am **F**
That just won t let me go
You are my fire
You are my righteousness
You are my rock in roll

I wish I could fit you
Down inside my chest God
I wish I could swallow you whole
I d wrap you up
In a blanket of my skin
And you could call my body home

C

I Am A temple

G

I Am A temple

F

My body is a temple

G **F**

I am a temple, I... (repeat)

G

C

So what if I m not worthy

Am

So what if I m not worthy

G

So what if I m not worthy

Am **G**

You have made me clean

C

G

I can t get over how quickly you recover

Am

F

The pieces of my heart as they shatter

C

Cause in your hands I am

G

More than just a brand new man

Am

And all my falling down now

F

Well, Its just don t matter
