

I Am A Temple
John Mark McMillan

C

Deep inside me

G

There s this burning

Am **F**

That just won t let me go

You are my fire

You are my righteousness

You are my rock in roll

I wish I could fit you

Down inside my chest God

I wish I could swallow you whole

I d wrap you up

In a blanket of my skin

And you could call my body home

C

I **Am A** temple

G

I **Am A** temple

F

My body is a temple

G **F**

I am a temple, I... (repeat)

G

C

So what if I m not worthy

Am

So what if I m not worthy

G

So what if I m not worthy

Am **G**

You have made me clean

C

G

I can t get over how quickly you recover

Am

F

The pieces of my heart as they shatter

C

Cause in your hands I am

G

More than just a brand new man

Am

And all my falling down now

F

Well, Its just don t matter
