

I Am A Temple
John Mark McMillan

C#

Deep inside me

G#

There s this burning

Bbm **F#**

That just won t let me go

You are my fire

You are my righteousness

You are my rock in roll

I wish I could fit you

Down inside my chest God

I wish I could swallow you whole

I d wrap you up

In a blanket of my skin

And you could call my body home

C#

I **Bbm** **Bb** temple

G#

I **Bbm** **Bb** temple

F#

My body is a temple

G# **F#**

I am a temple, I... (repeat)

G#

C#

So what if I m not worthy

Bbm

So what if I m not worthy

G#

So what if I m not worthy

Bbm **G#**

You have made me clean

C#

G#

I can t get over how quickly you recover

Bbm **F#**

The pieces of my heart as they shatter

C#

Cause in your hands I am

G#

More than just a brand new man

Bbm

And all my falling down now

F#

Well, Its just don t matter
