I Am A Temple
John Mark McMillan

   C#
Deep inside me
G#
There s this burning
Bbm   **F#**
That just won t let me go
You are my fire
You are my righteousness
You are my rock in roll

I wish I could fit you
Down inside my chest God
I wish I could swallow you whole
I d wrap you up
In a blanket of my skin
And you could call my body home

C#
I **Bbm Bb** temple
G#
I **Bbm Bb** temple
F#
My body is a temple
G#   **F#**
I am a temple, I...   (repeat)

G#   **C#**
So what if I m not worthy
                   Bbm
So what if I m not worthy
                G#
So what if I m not worthy
Bbm   **G#**
You have made me clean

C#   **G#**
I can t get over how quickly you recover
Bbm   **F#**
The pieces of my heart as they shatter
C#
Cause in your hands I am
G#
More than just a brand new man
Bbm
And all my falling down now
F#
Well, Its just don t matter
