

I Am A Temple
John Mark McMillan

B

Deep inside me

F#

There s this burning

G#m **E**

That just won t let me go

You are my fire

You are my righteousness

You are my rock in roll

I wish I could fit you

Down inside my chest God

I wish I could swallow you whole

I d wrap you up

In a blanket of my skin

And you could call my body home

B

I **G#m G#** temple

F#

I **G#m G#** temple

E

My body is a temple

F# **E**

I am a temple, I... (repeat)

F#

B

So what if I m not worthy

G#m

So what if I m not worthy

F#

So what if I m not worthy

G#m **F#**

You have made me clean

B

F#

I can t get over how quickly you recover

G#m

E

The pieces of my heart as they shatter

B

Cause in your hands I am

F#

More than just a brand new man

G#m

And all my falling down now

E

Well, Its just don t matter
