(It s the same chords throughout!!!)

Can t get enough of sweet cocaine, get enough of Mary Jane.
Going back to where I come from, going to roll em back home again.
Over the hill, hey,hey,hey, over the hill.
Over the hill; hey,hey,hey, over the hill.

I ve been worried about my babies, been worried about my wife.
There s just one place for a man to be, when he s worried about his life
I m going home, hey,hey,hey, over the hill.
Over the hill; hey,hey,hey, over the hill.

Well I m going away to leave you, going to leave you in disgrace.
I got nothing in my favour; the rain in my face.
I m going home, hey, hey, hey, over the hill
Over the hill; hey, hey, hey, over the hill.

```
Over the hill,  
Hey, hey, hey, over the hill.  
Over the hill;  
Hey, hey, hey, over the hill.
```
