

**Sensitive Kind**  
**John Mayall**

**Fm**

Don t take her for granted,

She s had a hard time,

**Bbm**

Don t misunderstand her,

**Fm**

Or play with her mind.

**Fm**

Treat her so gently,

**Bbm**

It will pay you in time,

**Fm** -C7

Cause you gotta know,

**Fm**

She s the sensitive kind.

Tell her you love her,

Each and every night,

You will discover,

She will treat you right.

If you ll believe,

I know you will find,

There ain t nothing like,

The sensitive kind.

Guitarsolo

She get s so lonely,

Waiting for you,

You are the only,

Thing that ll help her through.

Don t take her for granted,

She s having a hard time,

You gotta know,

She s the sensitive kind

If you ll believe,

I know you will find,

There ain t nothing like,

The sensitive kind.
