

Age Of Worry

John Mayer

By Simen Pj.

I think it sounds best if you mute the high e-string.

No capo

G

Close your eyes and close your self

Cadd9 Em7 Cm7 D/F#

Build your heart an army

G

to defend your innocence

Cadd9 D/F# G

While you do everything wrong

G

Dont be scared to walk alone

Cadd9 Em7 Cm7 D/F#

dont be scared to like it

G

Theres no time that you must be home

Cadd9 D/F# G

so sleep where your darkness falls

G

Alive in the age of worry

Cadd9 Em7 Cm7 D/F#

Smile in the age of worry

G

Go wild in the age of worry

Cadd9 D/F# G

and sing, Worry, why should I care?

G

No your fight is not with them

Cadd9 Em7 Cm7 D/F#

yours is with your timing

G

Dream your dreams but dont pretend

Cadd9 D/F# G

Be friends with what you are

G

Give your heart then change your mind

Cadd9 Em7 Cm7 D/F#

youre allowed to do it

G

cause God knows its been done to you

Cadd9 D/F# G

and somehow you got through it

G

Alive in the age of worry

Cadd9 Em7 Cm7 D/F#

Rage in the age of worry

G

Sing out in the age of worry

Cadd9 D/F# G

and sing, Worry, why should I care?

G

Cadd9 Em7 Cm7 D/F#

Rage in the age of worry

G

Act your age in the age of worry

Cadd9 D/F# G

and sing, Worry, get out of here!
