

## Badge And Gun

John Mayer

**C**  
give me my badge and gun  
**F C**  
give me the road that i may run  
**G**  
give me that peaceful, wandering-free i used to know.  
**C F D7**  
i ve waited all i can, but i m just not a patient man  
**C G C**  
man, i ve been hiding here for 7 months or so.

**F Am**  
hand me down my coat and hat, and grab the winter one at that  
**F G**  
you never know how long i ll be away.

( **G C G G C A7 G D G** )

**C**  
give me my badge and gun  
**F C**  
give me the songs that i once sung  
**G**  
give me those jet black, kick-back, lay down nights alone (those lay down nights  
alone)  
**C**  
this house is safe and warm  
**F D7**  
but i was made to chase the storm  
**C G C**  
taking the whole world on with big ol empty arms.

**F**  
tell my friends i tried my best  
**Am**  
that one day i just up and left  
**F G**  
they probably saw it coming anyway(what can i say)  
hey, hey.

( **C F C G G F D7 C G C** )  
(ooo s)

**F**  
the lock is on the cellar door  
**Am**  
i can t remember what it s for

**F** i ain t been down those stairs in oh so long  
**G** so, so long.

**C** give me my badge and gun

**F** give me the road that i must run

give me that peaceful, wandering-free i used to know **G**

**C** a copy of your key is hanging where it used to be **F** **D7**

**C** good as you ve always been to me **D**

**C** the life i need to lead **D**

**c** is somewhere out there calling over those hills **D** **G**
