I never liked this apple much
It always seemed too big to touch
I can t remember how I found
My way before she came around

I tell everyone
I smile just because
I ve got a city love
I found it in Lydia
And I can t remember life before her name

She keeps a toothbrush at my place
As if I had the extra space
She steals my clothes to wear to work
I know - her hairs are on my shirts

I tell everyone

I smile just because
I ve got a city love
I found it in Lydia
And I can t remember life before
The day
She called up and came to me
Covered in rain
And dinnertime shadowing
And as her clothes spun, we spooned
And I knew I was through
When I said I love you

Friday evening, we ve been drinking
2 AM, I swear I might propose
but we close the tab
split a cab
and call each other up when we get home
falling asleep to the sound
of sirens

I ve got a city love
I found it in Lydia

From the battery
To the gallery
It s the kind of thing you only see
In scented, glossy magazines

And I can t remember life before her name
