

**Say What You Need To Say**

**John Mayer**

[Intro]

**F# B Ebm C# (x2)**

[Verse]

Take out all your wasted honor  
Every little past frustration  
Take all of your so called problems  
Better put them in quotations

Say what you need to say  
Say what you need to say

[Instrumental]

**F# B Ebm C#**

Walking like a one man army  
Fighting with the shadows in your head  
Living on the same old moment  
Knowing you ll be better off instead, if you could only

[Chorus] (x4)

Say what you need to say  
Say what you need to say

[Bridge]

Have no fear for giving in  
Have no fear for giving all of it  
You better know that in the end  
Its better you say too much

**C#**

Than never to say what you need to say again

**F# B Ebm C#**

Even if your hands are shaking

And your faith is broken

Even as the eyes are closing

Do it with a heart wide open, a wide heart

Say what you need to say
