

Split Screen Sadness

John Mayer

G

And i don t know where you went when you left but

C9

Says here in the water you must be gone by now

I can tell somehow

G

One hand on the trigger of the telephone

Wondering when the call comes

C9

Where you say it s alright

You got your heart right

Pre-Chorus:

Am

Maybe I ll sleep inside my coat and

D4

D

Wait on the porch til you come back home

G

Oh, right

C9

I can t find a flight

G

We share the sadness

The split screen sadness

G

Two wrongs make it all alright tonight

Two wrongs make it all alright tonight

C9

Two wrongs make it all alright tonight

Two wrongs make it all alright tonight

Verse 2:

G

All you need is love is a lie cause

We had lov but we still said goodbye

C9

Now we re tired, battered fighters

G

And it stinks when it s nobody s fault

Cause there s nothing to blame at the drop of your name

C9

It s only the air you took and the breath you left

Reprise:

Am

Maybe I ll sleep inside my coat and

D4 **D**
Wait on the porch til you come back home

G
Oh, right

C9
I can't find a flight

Am
So I'll check the weather wherever you are

D4 **D** **G**
Cause I wanna know if you can see the stars tonight

C9
It might be my only right

G
We share the sadness
The split screen sadness

C9
We share the sadness
The split screen sadness

Violin Solo

G
I called
Because
I just

C9
Need to feel you on the line
Don't hang up this time

G
and I know it was me who called it over but

C9
I still wish you'd fought me til your dying day
Don't let me get away

Am
Cause I can't wait to figure out what's wrong with me

D4 **D**
So I can say this is the way that I used to be

G **C9**
There's no substitute for time

G
Or for the sadness
Split screen sadness

C9
We share the sadness
Split screen sadness
