Am          D/F#   G          C9 G/B
Don t know why Victoria came by
Am          D/F#           G          C G/B
I could see by the look in her eyes
Am          D/F#           G          C9   G/B
Victoria d been driving around the town for awhile
Am          D/F#           C
Playing with the thought of leaving

```

```

Am          D/F#   G          C          G/B
Don t know why Victoria just smiled
Am          D/F#           G          C9   G/B
Mentioned something bout how you were right
Am          D/F#           G          C          G/B
Must have been hard to see through the tears she was hiding
Em          B9          C9
She said I might not be seeing him soon
Em          B9          C9
I got a few things I ve been waiting to do

```

Am          D/F#           G          C G/B
And the suitcase on the backseat inside
