Capo 2. fret

Chords:

```
      C   Em   Am   F   G
e | --0---0---0---0---0 |
B | --1---0---1---1---3 |
G | --0---0---2---2---0 |
D | --2---2---2---3---0 |
A | --3---2---0---3---2 |
E | --3---0---0---1---3 |
```

Vers.

```
C           Em           Am   F
With an audierce of four
C           Em           Am           F
it s not a crowd I have no need for more
C           Em           Am           F
Well I better not fake it, they know I lied
C           Em           Am           F C
I give it all my heart, a solid start
```

```
C           Em           Am   F
The summer sun is shining wide
C           Em           Am           F
a lot of young hearts will go out tonight
C           Em           Am           F
Well they better not break theres it s all they get
C           Em           Am           F           C
But if it bleeds and bleeds without regrets, it s alright
F           Am   G
It s alright
```

Chors.

```
F           Em
Aaaa...
Am           G
Don t start again, we re almost done here
```

F **C**
You turn

Am **G**
you turn away

F **C**
You turn

Am **G**
you turn away

(Listen for this)

B	--/10---10---10---10---10---
G	-----
D	-----
A	-----
E	-----

Vers.

And she was no more then a kiss
You have no regrets for what you did
She will bury forever the precious pain
Her body still won t there she goes again, it s alright
It s alright

Chors.

Aaaa...
Don t start again, we re almost done here
You turn, you turn away
You turn, you turn away
