

A Gracefull Fall
John Mellencamp

INTRO: A D

It s not a graceful fall from dreams to the truth
There s not a lot of hope here if you got nothing to lose
When it feels no good, when you re flat on the ground
Yeah the future s not bright when you re fallin down

CHORUS:

Cause I m sick of life, yeah it s easy to do
When everything that s so hard has been handed to you
Yeah I m sick of life, cause it s lost its form
I ll see you in the next world if there is really one

INTRO

Well I m not falling up the ladder, I m just puttin in my days
My pockets are empty and my aces won t play
Yeah I m movin down the street and I m goin nowhere
It s not a graceful fall when you don t care

CHORUS:

Cause I m sick of life, yeah it s easy to do
When everything that s so hard has been handed to you
Yeah I m sick of life, cause it s lost its form
I ll see you in the next world if there is really one

Yeah I m sick of life cause I m fallin down

I ll see you in the next world if you re still around
