Well I ain t been baptized, I ain t got no church

If I weren t so afraid I d lay down and die

I ve gotten so close with what I feel in my soul

When I receive love I just let it go

And I called out for help, found myself alone

Did I believe anything, well I don t know

Each day of sorrow brings me closer to goodbye

If I weren t so afraid I d lay down and die

SOLO: **A E D E D A**
