

For The Children
John Mellencamp

tuned half step down

E E

verse#1

E F#
I wish I could give you an answer
E F#
As to when life really begins
E F#
Wish I could tell you where we went
E F#
When our days here come to an end
D A
Wish I could see the future
D A
The same way I see the past
E F#
I wish I could draw a conclusion
E F# F#
Why nothing here seems to last

chorus

B E
I can't even make a guess
B E
Or an uneducated thought
B E
All I can do here is my best
D F# D F# D E
And be thankful for what we've got aahh aahh

verse#2

Why do so many suffer
Oppressed to the end of time
Why does freedom move so slowly
Unable to speak its mind
Some say it's a circle
Others think we live on a wing
Why are promises broken
And some think life don't mean a thing

chorus

verse#3

I hope you can be a child of life
With big dreams for everyone

And know that dying s as natural as birth
And our troubles here, they don t last long
I have worried about many things
Most of which did not come to pass
I hope you find someone to give you love
And that your love will last

Chorus
