

Just Like You
John Mellencamp

G **Am**
As my time goes by
F **G** **Am**
On the mean, cruel earth
G **F**
Trying to find some peace
F **G**
A little something to believe in
G **Am**
How can things go so wrong
F **G** **Am**
In such a beautiful world
G **F**
Why are so many people crying
G
Where s humanity gone
G **Am**
And every time it gets so dark
F **G** **Am**
There s nothing for me to see
G **Am** **G**
Something comes along (just like you)
F **G** **Am**
Yea, just like you
G **F** **Am** **G**
Something so unbelievably beautiful
Just like you

G **Am**
Well, it happened the other day
F **G** **Am**
I m just walking down the street
G **F**
I m looking down at my shoes
G
With only myself in my way
G **Am**
I m livin in my head
F **G** **Am**
Too much life in my veins
G **F**
Forgetting all of the time
G
We re always in motion with angels
G **Am**
And every time it gets so dark
F **G** **Am**

And there s nothing for me to see
G **Am** **G**
 Something comes along (just like you)
F **G** **Am**
 Yea, just like you
G **F** **Am** **G**
 Something so unbelievably beautiful
 Just like you
G **Am**
 As my time goes by
F **G** **Am**
 On this mean, cruel world
G **F**
 Trying to find some peace
Am **G**
 A little happiness to believe in
G **Am**
 How can things go so wrong
F **G** **Am**
 In such a beautiful world
G **F** **Am**
 Why are so many millions crying
G
 Where s humanity gone
G **Am**
 And every time it gets so dark
F **G** **Am**
 There s nothing for me to see
G **Am** **G**
 Something comes along (just like you)
F **G** **Am**
 Yea, just like you
G **F** **Am** **G**
 Something so unbelievably beautiful
 Just like you
G **Am** **G**
 Yea come along (just like you)
F **G** **Am** **G**
 Yea, just like you (just like you)
G **F** **Am** **G**
 Something so unbelievably beautiful
 Just like you
