There s a young man in a t-shirt

Listenin to a rockin rollin station

He s got greasy hair, greasy smile

He says, Lord this must be my destination.

Cause they told me when I was younger

Boy you re gonna be president.

But just like everything else those old crazy dreams

Just kinda came and went

Well there s people and more people

What do they know know know

Go to work in some high rise

And vacation down at the Gulf of Mexico

Ooh yeah

And ther s winners and there s losers

But they ain t no big deal

Cause the simple man baby pays for the thrills, the bills,
the pills that kill
