no one had this tabbed out which i dont know why they wouldnt, this is a great song i dont know the solo but it sounds like he uses a slide if that helps any and if you want to, i do, use a capo on the 3rd fret, it changes the G and C into open string chords which makes it sound better but for those w/out a capo, here are the chords played in the song, pretty easy

chords:

	<b>G</b>	<b>C</b>	<b>D#</b>	<b>D</b>	<b>F</b>
e	--3--3--x--x--x-----				
b	--3--3--x--x--x-----				
g	--3--5--8--7--10-----				
d	--5--5--8--7--10-----				
a	--5--3--6--5--8-----				
e	--3--x--x--x--x-----				

intro: **G**

**G**  
Before you go to sleep

And close your eyes  
**C**  
I d like to kiss you

One more time  
**G**  
Touch your lips

Perhaps your soul  
**C**  
I ll be still and say no more  
**D#**       **D**               **G**  
Oh, tell me do you feel the same way I do

You filled the air

Your gentle hands touched me everywhere

The same way I do

**D# D G**

Tell me do you feel the same way I do

The same way I do

The fragile bond

Between us here

**C**

Would take to build, a thousand years

**G**

Before you close your eyes

Just one more kiss

**C**

A million years before we feel like this

**D# D G**

Oh, tell me do you feel the same way I do

**D# D G**

Oh, tell me do you feel the same way I do

**C D**

How can I trust my feelings

**F D**

In a moment that's always changing

**D# D G**

Tell me do you feel the same way I do

The same way I do

**D#        D**

Hey, do you feel

**D#        D**

Yeah, do you feel

**D#                D**

Hey, do you feel

**G**

The same way I do
