

Save Some Time To Dream
John Mellencamp

G Cmaj7 G Cmaj7
Save some time to dream, save some time for yourself,
G Am D Dsus2 D
Don't let your time slip away, or be stolen by somebody else,
G Cmaj7 G Cmaj7
Save some time for those you love, for they'll remember what you gave,
G Am D Dsus2 D
Save some time for the songs you sing and the music that you've made.

CHORUS;

C G
Could it be this is all there is,
Am D Dsus2 D
C
Could it be there's nothing more at all?
C D Gsus2 D (x2)
Save some time to dream, cause your dream could save us all.

Play G Cmaj7 (x2) into all following verses.

G Cmaj7 G Cmaj7
Save some time for sorrow, cause it will surely come your way,
G Am D Dsus2 D
Prepare yourself for failure, it will give you strength some day,
G Cmaj7 G Cmaj7
Try to keep your mind open and accept your mistakes,
G Am D Dsus2 D
Save some time for living and always question your faith.

CHORUS - Then break using the same chord sequence as verses.

G Cmaj7 G Cmaj7
Cast your eyes up to heaven, oh what does that mean to you,

G Am D Dsus2 D

Try not to be too judgemental, so others will not judge you,

G Cmaj7 G Cmaj7
Save some time to think, oh before you speak your mind,

G Am D Dsus2 D
Many of your friends will not understand and to them you must be kind.

CHORUS - and finish on....

D **Gsus2 D (X2) G**
Yeah....a dream that saves us all

(**Cmaj7**) Keep pinky on top E 3rd fret, move your index & middle finger from G major position to 5th & 4th strings.

(**Gsus2**) 3rd fret using thumb over bottom two strings & index finger over top two strings. This info just for the novices like myself.
