Intro

D                    G  
D                    G  
C C/B              D

*verse 1*

**Dadd11**                    **G Dadd11**  
It's the wake of all e-vil  
**Dadd11**  
A universal mess  
**G**                            **Dadd11**  
I've always found trouble  
**G**                            **Dadd11**  
Even at my best  
**G**                            **Dadd11**  
No hopes to get better  
**G**                            **Dadd11**  
'Til they put me down to rest  
**C**                    **C/B**              **D**  
I am a troubled man

*verse 2*

**Dadd11**                    **G Dadd11**  
Anxiety and sor-row  
**Dadd11**  
Underneath my skin  
**G**                            **Dadd11**  
Self-destruction and failure  
**G**                            **Dadd11**  
Have beat my head in  
**G**                            **Dadd11**  
I laughed out loud once  
**G**                            **Dadd11**  
I won't do that again  
**G**                            **Dadd11**  
Always traveled the hell fire road  
**G**                            **Dadd11**  
To chase the sweet smell of sin  
**C**                    **C/B**              **D**  
I am a troubled man
