

Void In My Heart
John Mellencamp

Intro: **G**

Verse

G **Em**
There s a void in my heart I can t seem to fill
G **Em**
Been a parent, had three children and a big house on the hill
G **C** **G**
Hundred dollar in my pocket and it didn t buy a thing
C **G**
Now there s a void in my heart and a hole in my dreams

Verse

G **Em**
Well I poured miles of concrete and strung wire for telephones
G **Em**
Dug ditches when I was a young boy when I first left my parents home
G **C** **G**
Sang my songs for millions of people, sang good and bad news
C **G**
Now there s a void in my heart and a fire at my fuse

Verse

G **Em**
Well I did everything just like they said so I could find happiness
G **Em**
Went to school and got a college degree and at my job I did my best
G **C** **G**
As I sit here alone tonight I see a billion just like me
C **G**
With a void in their hearts and running from eternity

Verse

G **Em**
There s a void in my heart I can t seem to fill

G
I do charity work when I believe in the cause

Em
But in my soul it bothers me still

G **C** **G**
Hey, Lord, well you made me like I am

C **G**
Can You heal this restlessness?

Will there be a void in my heart
C **G**

When they carry me out to rest?
