Here it is again incase you can download it.

Here Every Body.Some of you may be looking for this.

Here s John Mellancamps Version of Wild Nights off the Album Dance Naked:

Bass:

G		
D____5__2____		____5____
A____5__2_5____		____4_5____
E____0____0____		____3____

Thats Basically it for the begining of the song the Guitar Can also play these licks.The guitar could also play Em and G behind this while the bass plays.

After the first Verse the guitar and Bass come together and both play

Em and **C**

This gets played untill he starts to sing the OOH OOH E part in which he plays:

Em C D Em D Dsus G.

Thats it for the whole song.I kinda have the solo figured out but I m not going to post untill It s perfect.The song is played in regular tunning(I think)Well anyway this is it, Take it or leave it.This will be updated later
