

Your Life Is Now
John Mellencamp

INTRO: G

G C D
See the moon roll across the stars
G C D
See the seasons turn like a heart
G C D
Your Father s Days are lost to you
Em C D
This is your time here to do what you will do

REFRÃO

Em C D
Your life is now, your life is now, your life is now
Em C
In this undiscovered moment
D
Lift your head up above the crowd
Em C
We could shake this world
D
If you would only show us how
G
Your life is now

G C D
Would you teach your children to tell the truth
G C D
Would you take the high road if you could choose
G C D
Do you believe you re a victim of a great compromise
Em C
Cause I believe you could change your mind
D
and change our lives

REFRÃO

D G D G

G C D
Would you teach your children to tell the truth
Em C D
This is your time here to do what you will do
