C
Sometimes I watch her there a sleep,
F **C**
And thank my lucky stars, for every second
F **G/B**
she s here with me I wanna hold her in my arms,
Am **Em**
cause she is my day she is my night,
F **G**
she is the breath that gives me life,

Chorus:

C **G**
But sometimes we laugh and sometimes we cry,
F **G**
sometimes we fight and we don t know why,
C **G**
but no matter what she believes in me,
F **G**
she s the closest thing to heaven I ll ever see,
Am **F/G** **C F C**
she ll always be, an angel in my eyes.

C
Sometimes I feel her by my side,
F **C**
like she s been watchin over me,
C
I get a chill up and down my spine,
F **G/B**
and that s all the proof I need,
Am **Em**
cause she fills my heart she feels my soul,
F **G**
she is the half that makes me whole,
