(VERSE 1)

C
Her parents never took the young girl to church
C **Em** **G**
Never spoke of his name, never read her his words
C
Two non-believers walking lost in this world
C **Em** **G**
Took their baby with them what a sad little girl

(Verse 2 - Chords stay the same)

Her daddy drank all day and mommy did drugs
Never wanted to play, or give kisses and hugs
She d watch the TV and sit there on that couch
While her mom fell asleep and her daddy went out

(Chorus 1)

F **Am**
And the drinking and the fighting
C **G**
Just got worse every night
F **Am**
Behind their couch she d be hiding
C **G**
Oh what a sad little life

(Repeat Intro)

(Verse 3 - Chords are the same)

And like it always does the bad just got worse
With every slap and every and every curse
Until her daddy in a drunk rage one night
Used a gun on her mom & then took his life

(Chorus 2)

And some people from the city
took the girl far away
to a new mom and a new dad
Kisses and hugs every day

(Repeat Intro)

First day of Sunday school the teacher walked in
And a small little girl stared at a picture of him
She said I know that man up there on that cross
I don't know his name but I know he got off

(Chorus 3)

Cos he was there in my old house
And held me close to his side
As I hid there behind our couch
The night that my parents died

Repeat Intro - but instead of playing A4 D3 D4 - Play C slowly

This a beautiful song and really easy to play so enjoy
