Here s how I play Rope The Moon by John Michael Montgomery...

INTRO: **G, C, G, C**

C G
I don t have a lot to show, for these years of hard work
C
If you look at what I own
G
Still she s always telling me to hold on to my dreams
C
Even when my hope is gone
Am7 D
Some may say that dreamin s just for fools
Am7 D
And there are times I thought that might be true

CHORUS:

C G
But she thinks I could rope the moon
C G
In her eyes there is nothin I can t do
Em D
When I think it s out of reach
G Am C
She s the reason I still try
C G
She thinks I could rope the moon

When I look at the sky but can t see through the clouds
she shows me the brightest star
If I think of turning back, cause I m having my doubts
She tells me I ve come so far
Nothing in this world comes easily
But I can t lose with her right next to me

REPEAT CHORUS

Til the next time,

Doug Edwards
