

**Fire In Me**  
**John Newman**

**Em**

Never gonna let you go

**Em**

I m never gonna let you go

**Em**

I m starting with my intuition

**G**

I m starting with my strengths

**Bm**

I m getting back my old ambitions

**A**

Returning once again

**Em**

My knuckles are so red and raw

**G**

From breaking through these walls

**Bm**

Sick of all the others talk

**A**

And I left her of my fault

**Em**

**G**

**Bm**

**A**

I was a spark in the night but you drown me out

**Em**

**G**

**Bm**

**A**

So I ll take the walls inside and I ll burn them down

**A**

Cause I still got a fire in me

**Em**

I never wanna let it go

**Em**

I never wanna let it go

**G**

**Bm**

**A**

I-I-I-I still got a fire in me

**Em**

I never wanna let it go

**Em**

I never wanna let it go

**G**

**Bm**

**A**

I-I-I-I still got a fire in me

**Em**

I never wanna let it go

**Em**

I never wanna let it go

**G**

**Bm**

**A**

I-I-I-I still got a fire in me

**Em**

I never wanna let it go

**Em**

I never wanna let it go

**G** **Bm** **A**

I-I-I-I still got a fire in me

**Em**

I ve dealt with all my evils

**G**

And I m dealing with them twice

**Bm**

There will never be a sequel

**A**

And the curtain will never rise

**Em**

Although my body has been aching

**G**

I held on to the ropes, oh no

**Bm**

I ve never left the ring, yeah

**A**

And I won t be letting go

Cause I still got a fire in me

**Em**

I never wanna let it go

**Em**

I never wanna let it go

**G** **Bm** **A**

I-I-I-I still got a fire in me

**Em**

I never wanna let it go

**Em**

I never wanna let it go

**G** **Bm** **A**

I-I-I-I still got a fire in me

**Em**

I never wanna let it go

**Em**

I never wanna let it go

**G** **Bm** **A**

I-I-I-I still got a fire in me

**Em**

I never wanna let it go

**Em**

I never wanna let it go

**G** **Bm** **A**

I-I-I-I still got a fire in me

**Em**
