

Far From Me
John Prine

Capo 2

Intro: **G**

G **C**
As the cafe was closing
D
On a warm summer night
C **D** **G**
And cathy was cleaning the spoons
C **G**
The radio played the hit parade
A **D**
And I hummed a long with the tune
C **D** **G**
She asked me to change the station
C **D**
Said the song just drove her insane
G **C**
But it werent just the music playing
D **G**
It was me that she was trying to blame.

Chorus:

C **G**
And the sky is black and still now
C **D**
On the hill where the angels sing
C **G**
Aint it funny how an old broken bottle
G **D** **G**
Looks just like a diamond ring
C **D** **G**
But its far, far from me

G **C**
Well I leaned on my left leg
D
In the parking lot dirt
C **D** **G**
And cathy was closing the lights
C **G**

A june bug flew from the warmth he once knew

A

D

And I wished for once I werent right

C

D

G

Why we used to laugh together

C

D

And wed dance to any old song.

G

C

Well ya know she still laughs with me

D

G

But she waits just a second to long.

(Repeat chorus)

G

C

Well I started the engine

D

And I gave it some gas

C

D

G

And cathy was closing her purse

C

G

Well we hadnt gone far in my beat old car

A

D

And I was prepared for the worst.

C

D

G

Will you still see me tomorrow?

C

D

No I got too much to do.

G

C

Well a question aint really a question

D

G

If you know the answer too.
