Look At Us
John Prine
[verse 1]
Look at us
              F7 Bb
After all these years together
Look at us
     C7
After all that we ve been through
Look at us
     F7
                     Вb
Still leaning on each other
      C
If you want to see
  C7
How true love should be
Then just look at us
[verse 2]
F
Look at you
    F7
Still pretty as a picture
Look at me
    C7
Still crazy over you
Look at us
       F7
Still believin in forever
      C
If you want to see
        C7
How true love should be
        F
Then just look at us
In a hundred years from now
I know without a doubt
                                   G
