I wish you love And happiness  
I guess I wish you All the best  
I wish you don't Do like I do  
And ever fall in love with Someone like you

Cause if you fell Just like I did  
You'd probably walk around the block Like a little kid.

But kids don't know They can only guess  
How hard it is To wish you happiness

I guess that love Is like a Christmas card  
You decorate a tree You throw it in the yard  
It decays and dies And the snowmen melt  
Well I once knew love I knew how love felt

Yeah I knew love Love knew me  
And when I walked Love walked with me

And I got no hate And I got no pride  
Well I got so much love that I cannot hide Yeah I got  
Well I got so much love that I cannot hide
