

Youve Got Gold
John Prine

You ve Got Gold. John Prine

Listen to the song as there are a few walks and so forth from the G to the C, and A hammer on and pull off while playing the D...also during the chorus there is a slide from the C formation ...sliding the entire chord so that your index finger of the C chord is at the 3rd fret 5th string and back to the C formation 5th string 1st fret.

G **D**
Is there ever enough, space between us, to keep us both honest and true.
G

I ve got a new way of walking and a new way of talking
C
Honey, when I m around you.

G
But it gives me the blues, when I ve got some good news
D **G**
And you re not there to bring it to.

G **D**
Life is a blessin it s a delicatessen, of all the little favors you do.
All wrapped up together, no matter the weather

Of loving you the way I do.

G
And you know I would gladly, say I need your love badly
