Capo on 4

G **G/F#** **Em**

They took you away at three

C **G** **C** **G**

to teach you a craft to make you compete

when you fell off the balance beam

you couldn't win but you jumped up again

Am **Em** **C** **D**

and still wide-eyed you

still wide-eyed you

G

still wide-eyed you go

we met in the tunnel of the stadium

immediately was too fast and free

i asked you to stay with me

don't return that satellite tomb

and still wide-eyed you

still wide-eyed you

still wide-eyed you go
