Intro: **G - G - G - G**

G **G7** **C** **Cm**
Fool, don t let you feelings show, Fool, or every-one will know
G **Em**
That your the fool, Who let her go
A **D**
Cause you knew, she d be back, Whenever you said so

G **G7** **C** **Cm**
Fool, she s found someone new, Fool, he knew just what to do
G **D** **C - G**
Now she s gone, And the jokes on you, Fool

G **G7** **C** **Cm**
Have you ever, seen her look so lovely, And doesn t she seem to be so happy
G **Em** **A** **D**
As right now she s walking down the aisle, And all you can do, is cry inside you

G **G7** **C** **Cm** **G**
Fool, that could be you there with her, Fool, now it s you who ll miss her
D **C - G**
Don t look as he lifts the veil to kiss her, Fool

Lead Ride: **G - G7 - C - Cm - G - D - C - G - G#**

G# **G#7** **C#** **C#m**
Fool, don t let them see your face, Fool, for every-one who says
G# **Fm**
That you re the fool, Who walked away
A# **D#**
And said you d pickup, Where you left off someday

G# **G#7** **C#** **C#m** **G#**
Fool, that s what you get for saying, Fool, look at the price you re paying
D# **C#** **C#m** **G#**
And once I heard, that I was saying, Fool Fool Fool
