A: 320033
Bm: x02210
D: x32010
E: xx0232

Intro

A **Bm A**

Verse

A
She s loved my now for a half a year
Bm
Despite the distance and the fear of
D
Falling sky and gathering storm

That ll blow me back where I came from

Chorus

Bm A D
But that ain t the way I see you baby
Bm D
I know you re not that kind of girl
E
When you die I will come looking for you
D A Bm A
I wouldn t miss it for the world

Verse

A
An opportunist looking for a chance
Bm
To fuck you over leave you flat
D
Take off your dress and go straight to the press
To make time on the evening news

Chorus

Is that the way I see you baby
I know you re not that kind of girl
When you die I will come looking for you
I wouldn t miss it for the world

Verse

That murderer who shares your cell
Well his sentence don t have to be yours as well
Cause when you sleep you count the stars
He s making enemies across the bars

Chorus

But that ain t the way I see you baby
I know you re not that kind of girl
When you die I will come looking for you
I wouldn t miss it for the world
