E

I don t know why, we never can agree.

A fifties smash from Kraziekhat.

(The other verses.)

My life is full of misery.

And dreams are like a memory.
They're bringing back your love, that used to be.

I got teardrops, so many I can't see.
And years don't mean a thing to me.
But time goes by, and still I can't be free.
