

## The Up

Johnny Buxton

Standard tuning

Chords

|   | <b>AM*</b> | <b>Am/D</b> | <b>Am/D(alt)</b> | <b>E7</b> |
|---|------------|-------------|------------------|-----------|
| e | -----      | -----       | -----            | 0-----    |
| b | -----      | -----       | -----            | 0-----    |
| g | --(0)----- | -----       | 5-----           | 7-----    |
| d | ---11----- | 10-----     | 5-----           | 6-----    |
| a | ---0-----  | 12-----     | 7-----           | 7-----    |
| e | ---12----- | 10-----     | 5-----           | 0-----    |

=== Verse 1===

|                                        |             |
|----------------------------------------|-------------|
| <b>AM*</b>                             | <b>Am/D</b> |
| This is what life on the up feels like |             |
| <b>AM*</b>                             | <b>Am/D</b> |
| Iâ€™d forgotten how good it feels      |             |
| <b>AM*</b>                             | <b>Am/D</b> |
| lying with you is all i wanna do       |             |
| <b>AM*</b>                             | <b>Am/D</b> |
| Iâ€™d forgotten how soft skin feels    |             |

=== Pre Chorus ===

|                                                                         |             |
|-------------------------------------------------------------------------|-------------|
| <b>AM*</b>                                                              | <b>Am/D</b> |
| Iâ€™ve been looking at grey skies lately, until you came along (yeah..) |             |
| <b>AM*</b>                                                              | <b>E7</b>   |
| Now I am warm, now I feel blessed and The Sun shines on....             |             |

=== Chorus ===

|                                               |           |
|-----------------------------------------------|-----------|
| <b>A5</b>                                     | <b>Dm</b> |
| Not to confuse you, but I wanna loose you     |           |
| <b>A5</b>                                     | <b>Dm</b> |
| If only to win you back                       |           |
| <b>A5</b>                                     | <b>Dm</b> |
| Life goes so slow, when you just donâ€™t know |           |
| <b>A5</b>                                     | <b>Dm</b> |
| of anything that you lack                     |           |

=== Verse 2 ===

|                                             |             |
|---------------------------------------------|-------------|
| <b>AM*</b>                                  | <b>Am/D</b> |
| Love is the drug that youâ€™re a-ddicted to |             |
| <b>AM*</b>                                  | <b>Am/D</b> |
| youâ€™d forgotten how high you d go         |             |

**AM\***

**Am/D**

lying with you is all I wanna do

**AM\***

**Am/D**

Iâ€™d forgotten how good skin feels

= Pre Chorus =

= Chorus =

= (optional solo around chorus shapes till you get bored)

End on A5 stab .
